The Belgian Menopause Society (BMS) will allocate **two grants of 2000 euros each, to the best posters presented at our national meeting** on November 14th 2015, by an investigator younger than 36, who is a member of the BMS.

Applications, including a copy of the abstract (250 characters) of the presentation and a one-page CV summary of the applicant, **should be sent to the BMS secretariat before November 1st 2015.**

All the selected posters will be presented during the meeting, and the recipients of the prizes will be asked to have an oral presentation of their work. 1000€ will be for the recipient and 1000€ for the host laboratory or department.
